

HOME

FOR THE

HOLIDAYS

If your wish or the wish of a loved one is to be “home for the holidays” we can help.

Kindful Health understands the value of our loved ones being together for the holidays. Let us help your loved one enjoy this special time with the ongoing support of our hospice care team.

- Surround yourself by the people and things you love
- Receive comfort and support from the entire hospice care team (includes nurse, aide, social worker, chaplain, volunteers, dme, pharmacy and supplies)
- Relieve stress by being home and comfortable
- Relive the memories that you and your family shared in fondness

Contact Kindful Health today to learn how hospice at home can help you and your loved one be “Home for the Holidays”
