SERVICE INCLUDED	DESCRIPTION
Physician	Hospice Medical Director is responsible for management of the patient's illness and related conditions. The patient may choose Kindful's hospice medical director to manage their care or Kindful can coordinate care with the patient's physician.
Nursing Services	Hospice nurses provide hands-on care to manage the patient's symptoms.
Hospice Aide Services	Hospice aides will provide care in support of the activities of daily living and maintain a safe and sanitary environment.
Medical Social Services	Addresses emotional aspects of late-stage illness. Helps explore patient wishes. Provides access to additional resources.
Spiritual Support Services	Listen, guide, support and comfort the patient and their family.
Volunteer Services	Supports patients and families with companionship, conversation, and general support.
Bereavement Services	Provides care and comfort to the bereaved and connects them to ongoing support services.
Interdisciplinary Care Team	Every 14-days the entire hospice team meets to review the needs of each patient.
24/7 Phone Support	Kindful's 24/7 phone 866-730-4550 is answered by a human at all hours of the day and night.
Pharmacy	Hospice pays for all drugs related to the terminal diagnosis and prognosis.
DME	Hospice pays for durable medical equipment like hospital beds and oxygen.
Supplies	Hospice pays for medical supplies like briefs and bandages
